**MADE IN  
BRITAIN**

# X50

The **DARAY**® X50 examination light is the perfect choice for value and performance.

Desk mount option shown

LEDs (light emitting diodes) have been around for a long time. Recently this technology has become leading-edge in the field of lighting - a breakthrough technological solution to the inherent problems of the incandescent light bulb.

We have taken the technology and developed it further to provide high definition lighting solutions with no infrared, high brightness, low environmental impact, low power consumption, no toxic chemicals and a long operating life.

- LED light source
- Low total cost of ownership
- 6,000 lux intensity  $\pm$  500 @ 0.5m
- 4,200K colour temperature
- Flexible arm and solid positioning
- Wall, desk, mobile and rail mount options available

## Products Available
