# X150

The **DARAY**® NviroLED™ X150 is a general examination light with the added benefit of LED technology to ensure minimal running costs without compromising on performance.

Built to withstand the requirements of a busy examination room, the X150 has a flexible gooseneck to give excellent reach and positioning. A focusable beam ensures a perfect light-patch for examinations with restricted or difficult viewing access, such as ENT.

- 1m flexible arm for excellent positioning
- Outstanding bulb life - 40,000h
- Suitable for general examination
- LED technology
- 10,000 lux @ 0.5m
- 5,500K colour temperature
- Light-patch 225mm @ 0.5m (max)
- Focusable beam
- Perfect circular light-patch
- Wall mounted as standard

Mobile mount option shown

## Environmentally friendly - our green promise

- NviroLED has an intense clear white light beam equivalent to 20W halogen whilst consuming only 5W.
- 40,000 hours of life from the LED light engine.
- No more bulbs to change - reduces waste by 95% over the light's lifetime.
- No halogen, mercury, cadmium, lead or CFCs. No chemicals harmful to the environment.
- Hard-wearing and fully recyclable when the light comes to the end of its life.

Focusable beam
